

EIGHTH GRADE STUDENTS—

'Reflections On the Fire'

What youngster at one time or another has not wished for his or her school building to burn? But when it actually happens most youngsters seem to wish that they had never had such thoughts at least that is the theme that runs through a great many of the Hamlin Eighth grade students' minds.

This was brought out in an eighth grade English class project where the assignment was a paper on "Reflections On the Fire."

"Every kid dreams of a school burning down, but when it really happens I guess you just want to eat all your words," wrote Sheri Mink. "You really don't think anything means too much to you until it's gone. Everyone lost a lot of good memories,"

she said.

"Funny, everytime we had a fire drill we always said, 'I wish this school really would burn down!' But I don't think any of us meant it. I know I didn't. And we really never dreamed it would happen over the spring break," wrote Linda White.

"All of us joke about the school burning down. But when it really happens it's another story. I was shocked! I just couldn't believe it," wrote Steph Hymer.

The following are some random selections from Mrs. Bettye Shira's eighth grade English class assignment:

Stacy Bell: "As I look back we all have a lot of memories to remember, like me for instance. I lost a horn. After the guys dug it out it was hard

to believe that just a few days before that, I had played it in band. This may not seem like a great loss to you but it was to me."

Tina Wicker: "When I closed my locker door, walked down the stairs, and walked out the back door, I never thought I wouldn't see the inside of my Jr. High building again."

Juanita Titus: "Who would ever had thought the Hamlin Junior High students would have been left without a school over the spring break?"

David Hertel: "Some of the men fighting the fire weren't even firemen but cared enough about our school to help out a little and take part of the load off the firemen's backs."

Audrey Hart: "Fire is a tragic thing. People never really think about how destructive fire can be. It leaves people homeless and even without a school."

Kelly Ferguson: "Now I'm stuck in this 'crummy' old school where everyone feels like fifth graders again. You know, I wished it hadn't burned!"

Kathy McGee: "I only wish that it had been some other school instead of ours."

Rickey Dockins: "In the fire I lost my pens, pencils, and paper but no personal items. I think that it is bad that it burned down even though we wanted it to."

Jamie Jones: "It was quite a shock to see the building was really burning. I think most people feel like a

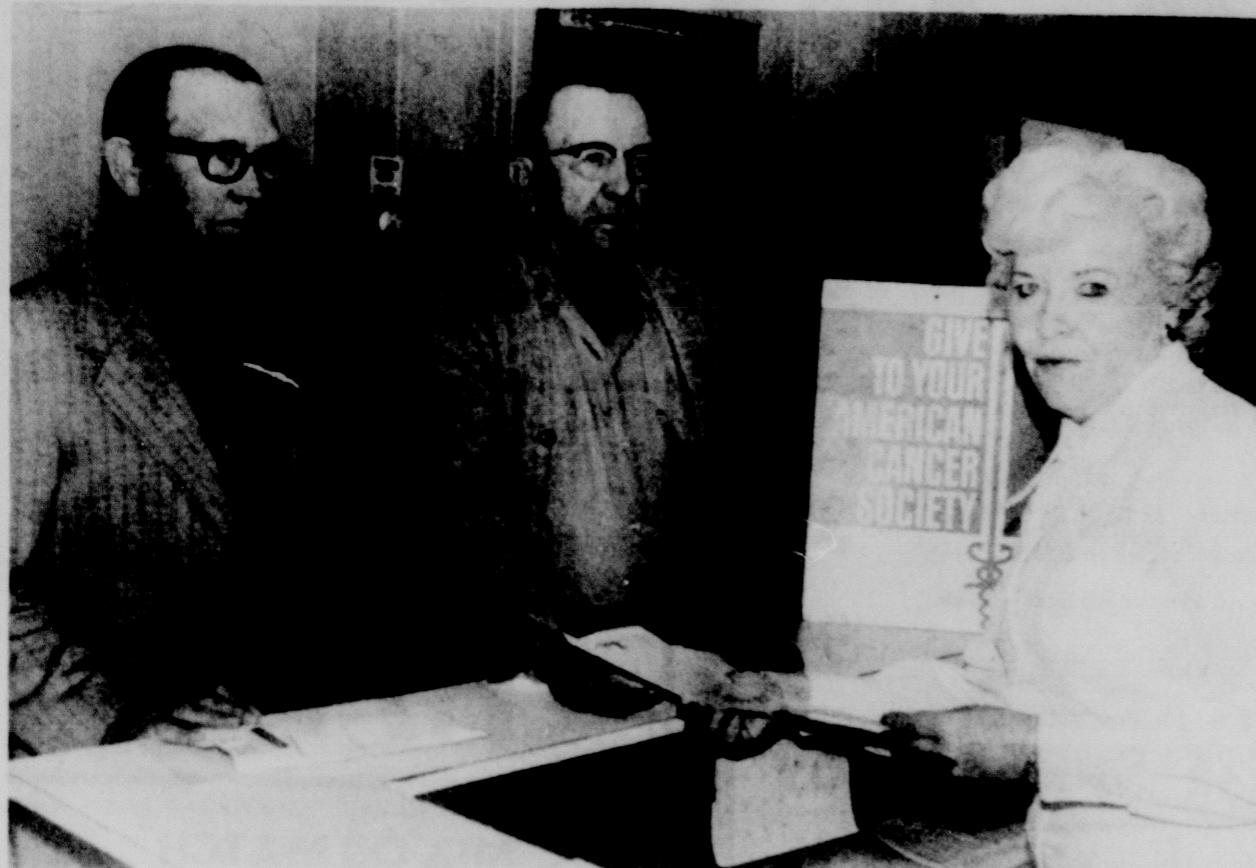

big part of our town is gone."

Claud Scifres: "I always wanted the school to burn down but when it did, I was kind of sad."

Rene Guerra: "... I heard the fire trucks. I thought it was a house or a field of dry grass. But in the morning when I went to town I saw the school building all burned up. I didn't want it to burn down. But it did."

L. J. Hooper: "But all I have to say is that I thank God that none of us were in there because it could have happened while we were in school."

Rose Chavez: "There were 207 students that went to school there. Now the school is a mess. Bricks fell everywhere. It looks sad now."

CANCER DRIVE UNDERWAY—Loyd Burkhart, left, and Bill Rountree receive materials from Mrs. Othel Sipe, Hamlin chairman for the American Cancer Society drive for funds. The men are being assisted by W. D. Cowan (not pictured) in contacting local businesses. The local drive opened Tuesday. The residential drive will be manned by volunteers today (Thursday). Volunteers, including some from local women's clubs, received materials this week for today's door to door canvass. Information pamphlets are also being distributed to stress the importance of early detection through check-ups and other educational material concerning cancer.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

A few weeks ago we wrote the first of what we planned to be a series of articles on Public School Financing. We had hoped to have a second article in the series prepared before now but have been waiting on the House Committee to report out its bill for the House to consider.

It seems rather pointless to cover all of the ground contained in all of the different bills being considered by this committee since most of the bills will never get past this group. The committee was supposed to report out a bill this week but is expected to ask for and get an extension.

Since almost any of the school finance bills being considered would require more money than the state has to spend without raising taxes, it is becoming more and more apparent that the matter will not be resolved during this session of the Legislature.

We will wait and see what the House does with this important matter but right now our guess is that the best that will come out of this session will be a patch work on our present school financing method. This will likely include some form of teacher pay raise.

There does seem some hope for some form of state-wide "Fair Market Value" approach to local fund assignment coming out of this session. This in itself could be a giant step in the right direction toward fair and equitable school financing.

Texas voters will go to the polls in a special Constitutional Amendment Election Tuesday, April 22. They will be asked to approve or disapprove two amendments to our already patched up Constitution. And the way things look now they

Church of Christ Sets Evangelistic Services

April 13-18 are the dates for a series of evangelistic services at the Hamlin Church of Christ, S. W. Avenue A at West Lake Drive. Everyone is invited to attend these services. Sunday services will begin with Bible class at 9:45 a.m. Morning worship begins at 10:40 a.m. Evening worship will be held at 6:00 p.m. Weekday services through Friday will be held at 10:00 a.m. and 7:30 p.m.

The evangelist for this series is Larry Marshall, minister for the Wilbarger Street Church of Christ in Vernon. Mr. Marshall grew up in Lamesa, and has been preaching since 1962. He and his wife, Bobbie Jo, have two children, Amy, 10, and Scott, 7. Mr. Marshall has served

LARRY MARSHALL
... to lead services

churches in Eastland and Lamesa, and in Dodge City, Kan., before moving to the church in Vernon.

He is in demand for gospel meetings, youth meetings and various training series, having been involved in such special efforts in nine states. He was honored in the 1970 edition of "Personalities of the South." Marshall has done college work at St. Mary's of the Plains, Dodge City, Kan., and at Abilene Christian College. He holds the bachelor's degree in Bible from ACC.

David Giddings, minister of the church, said that Marshall conducted a similar series of preaching services in Hamlin in 1973 and was well received.

"He not only brings a love for the divine truths of God's revealed word and a recognition of man's need for this message. He possesses a sincere love for the souls of men. His preaching is dynamic and forceful, yet simple enough for all to understand. If you have heard him before, you will want to hear him again. If you have not heard him, you will want to do that next week," Mr. Giddings added.

Volleyball

Tournament Underway

Play continues this evening in the Future Farmers of America Volleyball Tournament in the Hamlin Public School Gymnasium. Games start at 5 p.m. today (Thursday) and Friday and finals will begin at 6 p.m. Saturday. Forty-four teams are entered in five divisions.

The boys' finals will be held Friday evening to avoid conflict with a track meet Saturday. Finals in all other divisions will be held Saturday.

Trophies will be presented to sponsors of winning teams and winning team members will receive individual plaques or trophies.

Admission is 50 cents for adults and 25 cents for students.

TRUSTEES REELECT OFFICERS—

Renew Teachers' Contracts

The Board of Trustees of the Hamlin Independent School District, meeting here Monday evening, canvassed the election returns of Saturday's voting and reorganized the board for the coming year.

The board certified the reelection of W. T. Johnson, Cecil Sellers and James E. Rodgers and then reelected the officers for a coming year. Johnson was reelected president, Raymond Scifres, vice president; and Lewis Madden, secretary.

The board accepted the recommendations of the principals and superintendent for the rehiring of the district's teachers, aides, secretaries, and other employees. The board had met in a workshop session last week to review the contracts and formally renewed the contracts at the meeting Monday.

The board also accepted the resignation of Mrs. E. N. Jenkins.

The Trustees opened bids on salvage work at the junior high building destroyed by

fire and also opened bids on carpet for the Reading Center building. The board awarded Harbert Furniture the carpet contract on low bid of \$6.83 a square yard for about 750 yards of carpet.

The board delayed signing a contract on removal of the rubble left at the junior high building until meeting with the insurance adjusters today (Thursday). Green Valley Lumber Co. of Abilene was apparent low bidder with a total bid of \$7,450 to level and fill the site.

The Trustees also voted to seek bids on the construction of a new fence at the football stadium.

The board made plans to go to Austin today and meet with state educational leaders about future plans for a junior high. The board will be seeking sources of state and federal emergency aid for equipment, supplies and construction at the meeting.

They will also be seeking current guidelines as to space, equipment and other requirements for this grade level.

IN SATURDAY'S VOTING—

Bigham Joins Encumbents

A newcomer to local politics emerged following the city and school elections here Saturday. Buford Bigham joined five incumbents to be elected in only a moderate turnout for the election of school trustees and city councilmen.

Bigham was elected to the city council in his first bid for public office. He received 226 votes to join Robert Fowler and A. E. Killion for two-year terms on the council. Fowler polled 235 votes and Killion received 203. Others in the six man race and their votes were: M. D. Byrly, 179; Robert Cary Sr., 157; and L. H. Bruton, 21. Byrly was named to the council in December upon the resignation of George Campbell and was seeking his first elective term.

All three incumbents were reelected in the balloting for trustees for the Hamlin Independent School District. Reelected were W. T. "Dub" Johnson with 327 votes; Cecil L. Sellers with 260 votes and James E. Rodgers with 225

votes. Other candidates and their votes were James B. Crowley with 83 and Delton Jackson with 146.

About 350 voters turned out for the elections at the high school building. This was the first time that the two elections were held in the same building.

Bigham, who will be serving his first two-year term on the council is an employee of the Texas Highway Department.

LITTLE LEAGUE

Hamlin Little League boys and girls will meet Monday, April 14, in the Primary school cafeteria at 7 p.m.

All parents are urged to attend as officers will be elected and coaches will be selected.

Riding Club Play Night Set

Hamlin Riding Club is having a play night Saturday, beginning at 7:30 p.m. There will be a jackpot cafe roping and barrel race and regular barrel race.

"SOUNDS OF LIFE"—Debra Hollis, at piano, Randy Hudgins and Tammie Harris, who sing as "Sounds of Life", will be presenting a concert at 6 p.m. Sunday for the evening worship service at Foursquare Gospel Church. They are recent winners of the district Nazarene Youtharama held in Abilene. They will compete at the regional level April 18 at Bethany Nazarene College in Bethany, Okla.

A great part of the Hamlin trade territory is "soaked down" for awhile with a most glorious rainfall of from one inch to four or five inches.

A \$50,000.00 Memorial Hospital was left to the city of Haskell by Mrs. Kate F. Morton sister of the Hon. James E. Ferguson. According to her will filed for probate in County Court Mar. 25 the hospital is to be erected in memory of her husband, Francis Marion Morton, who died 18 months ago.

Mrs. F. B. Moore was hostess to the Twentieth Century Bridge Club, Thursday afternoon, Apr. 2 from 3 to 5 p.m. Mrs. Prater was winner of high score for the afternoon.

Col. B. E. Sparks returned Friday from an extensive visit with his sister, Mrs. M. A. Steinbeck near Waco. Mr. Sparks is looking much improved in health after his trip.

Misses Alberta Howell, Velma Boyd and Emma Anderson spent last weekend in Rochester and Rule visiting Misses Frances Edmonds and Helen Anderson.

The Blue Bridge Club had a very interesting meeting at the home of Mrs. B. Moseley on Wednesday of last week. The guests of the afternoon were Mrs. Ben Smith of Plainview and Mrs. Geo. W. Gray and Mrs. W. T. Cherry. At the business meeting, Mrs. Cherry and Mrs. Ray Sneed were voted into the membership. Following the games a salad course was served as refreshments.

Monday evening the members of the Young People's Missionary Society were delightfully entertained at the cozy little home of Mrs. Jess Young with Misses Beck and Hudson as hostesses.

TWENTY YEARS AGO

(April 8, 1955)
Spring revival meeting of the Oak Grove Baptist Church will begin Monday evening at 8:00 p.m. according to Rev. J. L. Johnson, pastor.

Automatic pump cut-off for the overhead water reservoir in North Hamlin has been authorized for purchase by members of the City Council.

Delivery of the Dodge pick-up truck that was recently purchased by the City of

Hamlin for use by Bill Rountree and others of the water department was taken this week according to city officials.

Mr. and Mrs. Jim Howard King and a couple of deputies were wiping their weary brows last Friday as they completed the issuance of more than 2,500 automobile license plates for motorists of the Hamlin area in the biggest rush of last-minute purchasers they have experienced in their several years of license issuing.

Gayle Baize of Hamlin was re-elected president of the Jones County Singing Convention in the business session of the big annual songfest conducted Sunday at Anson.

Annual business meeting of the Jones County Tuberculosis Association will be held at Stamford Tuesday evening, Apr. 12, at 7:30 p.m., at Nat's Cafe.

A young tornado played havoc in several areas around Hamlin as a part of the early Tuesday morning rain and hail storms. The worst damage was reported east and south of town.

Children of the North Central Avenue Baptist Church will be treated to an Easter egg hunt Sunday afternoon.

TEN YEARS AGO

(April 8, 1965)
A former pastor, the Rev. Henard E. East will do the preaching for revival services at the First Baptist Church. The pastor, the Rev. Byron Bryant, announced plans for a series of meetings for April 25 to May 2.

The regular second Sunday Singing will be held at the Hanna Baptist Church Sunday, Apr. 11, according to the secretary, Mrs. M. Rainwater.

The Pied Piper Track team placed sixth in the Red Dog Relays held Saturday at Ranger. Danny Contreras won the mile in 4:51.0 and Mike Shivers tied for first in the High Jump at 5'11".

Chaplain Lacy Standifer of the Abilene State School, Abilene, was the speaker for the Monday evening meeting of the Methodist Men's Group of the First Methodist Church.

Only 33 votes were cast in the Hamlin School Board election here Saturday. Joe Hudspeth and Richard Young Jr. were unopposed in their bid for re-election.

will be asked to vote again in November on a whole new Constitution.

The two matters coming before the voters later this month concern an increase in state and local retirement systems and a long needed pay raise for members of the legislature.

The first of these two amendments on the ballot will be the one dealing with the retirement systems and we will try to take a look at it this week and then cover the other one next week.

The proposed Amendment No. 1 on the ballot concerns consolidating virtually all constitutional provisions about state and local retirement systems in one section of our state charter.

More importantly, the amendment also would lift the ceiling on the amount the state can contribute to retirement systems from six percent to 10 percent of the employee's total compensation.

In addition, should an emergency exist, the Legislature could appropriate additional money to these retirement systems should it be deemed necessary.

In conjunction with this amendment, Senate Bill 56 has been passed by this Legislature, providing a 12 percent increase in retirement benefits for government workers already retired.

WORLD WIDE INTEREST

Many good organizations are working with our

youngsters, developing an interest in other lands and

the ones who dwell there. The church through

God's word also teaches us about our

neighbors and what our attitude should be

toward them. *The earth is the Lord's and the fulness*

thereof; the world, and they that dwell therein.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

BURLESON WARNS—

'Watch Out For the Watchdog'

WASHINGTON, D. C. — During a recent police action in Washington a police dog bit a policeman during a raid. Dogs make mistakes too during confusion and excitement.

So, the subject here is watch out for the watchdog.

Legislation to create a Consumer Protection Agency—a Super-Bureau which is supposed to save all of us from flim-flams and shoddy but expensive merchandise, is again before Congress. Last year this legislation passed the House of Representatives but fell before a filibuster in the Senate.

With the Congress more tilted towards the liberal side as a result of the last election and with a recent change in the Senate rules to make filibustering more difficult, the chances are increased that this bureaucratic monstrosity may be unloaded on the people of this Country, under the guise of protecting the consumer.

As proposed in this legislation a new agency would be authorized to dip its oar into any governmental operation that "may substantially affect the interest of consumers"—which means just about everything. The bureaucrats of such an agency would be as much, if not more powerful, than those which now watch over us with power granted them by the Congress. The probability is high that such an agency would soon dwarf most other governmental departments in controls, size and costs.

This kind of thing would add another "watchdog" to a penful already a part of the Federal Government.

There are already in the law provisions on "Truth In Lending", "Truth in Packaging and Labeling" and a number of other regulations governing advertising and the like to give protection to the public. The long-time established regulatory agencies such as the Interstate Commerce Commission, the Federal Power Commission, the Securities and Exchange Commission, the Federal Trade Commission and others, have their special functions and although some of these are not for the purpose of helping or protecting

A watchdog can serve a useful and necessary function. There must be laws and regulations to keep the unscrupulous and the lawless from depredations on others. There are such laws and means to enforce them. To unleash another dog with the power this proposal authorizes is to say "sic 'em" and those who are supposed to be benefited and protected are likely to be bitten.

CAPITAL HIGHLIGHTS—**Finance Debate Shapes Up**

AUSTIN — The great debate on school finance reform is shaping up in the House and Senate.

Major legislation to restructure education funding formulas has been heard before committees in both houses and is now being altered by sub-committees to meet revenue on hand and varying viewpoints of lawmakers and educators.

Gov. Dolph Briscoe's weighted pupil plan would cost an estimated \$744 million in additional state revenue and \$1.033 billion in local contributions.

The Texas State Teachers Association plan would require some \$2.2 billion in additional state money and

**Carol Sharer
On Honor Roll**

Carol Sharer, a student at Texas State Technical Institute, was named to the President's Honor Roll after a maintained grade point average of 4.0.

Mrs. Sharer is enrolled in the vocational nursing program on the Rolling Plains Campus in Sweetwater.

\$520 million in local funds.

Dr. Richard Hooker, Briscoe's education consultant, acknowledges 550 districts would have to increase ad valorem taxes to meet their "fair share" of school program costs under the governor's plan (HB 1083 and SB 478).

However, Hooker notes, those districts contain only 14 per cent of the state's population, and he contends these districts have an option as to whether they will produce their "fair share."

TSTA Executive Secretary Callie Smith maintains HB 1083 would mandate minimum accreditation standards and teacher salaries, and 500 to 600 districts would have no choice but to increase taxes.

Rep. W. S. "Bill" Healy of Paducah sent constituents in his district a detailed breakdown on how the Governor's bill would affect local taxes, and said he would oppose it.

Big county school officials generally supported the Briscoe bill at the Senate committee hearing, and claimed it should provide even more money per pupil.

Teachers jammed the Senate chamber in support of their bill — and a \$10,000 a year starting pay scale.

**TAX WARNINGS
ISSUED**

Comptroller Bob Bullock issued warnings that a record state tax bill ranging from \$320 million to more than \$2 billion seems inevitable for 1977 if lawmakers continue their spending ways.

House Speaker Bill Clayton urged his appropriations advisors to cut spending recommendations below Legislative Budget Board recommendations.

MERGER APPROVED

The Senate approved merger of the Texas Highway Department and Mass Transportation Commission into a new State Department of Highways and Public Transportation.

Senators temporarily balked, however, at taking nearly \$100 million in auto sales tax revenues during the next two years for a Public Transportation Fund to help finance mass transit projects and planning.

**PRIMARY BILL
ADVANCED**

A presidential preference primary bill won Senate approval — but as a one-time-only measure, to expire in March 1977.

The bill (HB 679) went back to the House and into conference committee for certain revision.

COURTS SPEAK

The Third Court of Civil Appeals took under consideration (after hearing oral arguments) Southwestern Bell Telephone Company's appeal from an injunction blocking a \$45 million long distance rate increase.

Court of Criminal Appeals reversed a murder conviction of a man who claimed a five-year-old boy left in his care died of an accidental head injury while doing "flips."

An Abilene man won a new trial on burglary charges because the trial judge refused to instruct jurors on possible probation.

AG OPINIONS

Atty. Gen. John Hill held the Texas Constitution permits a statute providing for abolition of county school superintendent's offices on a local option basis.

In the same opinion, Hill said a school superintendent may not resign his position and terminate the operation of his office.

In other recent opinions, Hill concluded:

—A bill providing for cancellation of Texas Opportunity Plan Loans of students who work for certain state agencies after getting doctorate degrees in medicine or psychology is constitutional.

—Welfare Department files on child abuse investigations are not subject to disclosure under the Open Records Act.

—Information on teachers and their numbers of children in high and average high math and reading groups should be made public on demand.

—A state university's group insurance contract is also public record.

—A county auditor must be appointed for Kerr County.

—Kinney County must pay its justices of the peace at least \$5,880 a year.

—A county court judge must appoint a court reporter on demand for cases appealable to the Court of Criminal Appeals.

**Music Festival
To Benefit
Stage Band**

A benefit for the Hamlin High School Stage Band is being sponsored Thursday, April 17, by the Rotary Clubs of Hamlin, Stamford, Haskell and Rule.

Featured in the music festival will be the Hamlin Stage Band, the Roscoe Stage Band and Abilene Christian College Stage Band. The 7:30 p.m. performance will be in the Stamford High School Auditorium.

Tickets are on sale here by stage band members and Rotary Club members. Tickets are \$1.50 for adults and \$1 for children under 12.

**Reunion At
Neinda Set
For Sunday**

The annual gathering of residents and former residents of the Neinda area will get underway Sunday at 11 a.m. with the business session in the Neinda Community Center.

All persons of the area are invited to attend. The noon meal will be catered. Tickets are \$2.50 per plate.

Making arrangements for the 24th annual event are John Scarborough, John R. Brown, Jackie Williams, R. P. Williams, Sonny Brown, Irby Weaver, J. E. Brown and Sam Hodges.

The reunion is held each year for fellowship, singing and to raise money for the upkeep of the Neinda Cemetery.

**Patsy Newland
To Receive
State License**

Patsy Newland, assistant administrator at Teakwood

Nursing Home in Stamford, has been notified by the Texas Board of Licensure for Nursing Home Administrators that she has passed the standard and oral examinations. She will receive her license in May.

Mrs. Newland attended a 200-hour course offered by the University of Texas in Austin over a period of several months beginning last July. She took the national test in October.

Mrs. Newland was employed as secretary of First Baptist Church for 15½ years before entering the field of administration. She and her husband, Bo, live at 213 N. W. Ave. J.

**Cooperative
Gets REA
Loan Okay**

Washington, D. C. — Congressman Omar Burleson announces the approval of a \$380,000 REA loan to the Stamford Electric Cooperative, Inc. at Stamford, serving Jones, Haskell, Shackelford and Stonewall Counties.

The purpose of the loan is to finance service for 190 additional consumers; to finance 28 miles of distribution line and to finance system improvements.

In other recent opinions, Hill concluded:

—A bill providing for cancellation of Texas Opportunity Plan Loans of students who work for certain state agencies after getting doctorate degrees in medicine or psychology is constitutional.

—Welfare Department files on child abuse investigations are not subject to disclosure under the Open Records Act.

—Information on teachers and their numbers of children in high and average high math and reading groups should be made public on demand.

**Bridge
Winners**

First place winners in the Tuesday evening competition of Hamlin Duplicate Bridge Club were Mrs. Barry Moore and Floyd Briscoe.

A tie for second and third place resulted between Jo Smith and Bob Preston, both of Abilene, and Mrs. Dale Lain and Ray Sonnenburg.

Visiting Mrs. Tom Routh over the Easter weekend were her two daughters and families, Mr. and Mrs. Lesley Shelburne, Carol and James of Snyder and Mr. and Mrs. W. E. Brown and Bill of Midland.

Tommy Carpenter of El Tigre, Venezuela, is visiting his mother Mrs. Fred Carpenter, who had surgery at Scott and White Hospital in Temple, March 28.

NEWS FROM . . .**McCauley**

By Mrs. Fred Kemp

Evidently the weather thinks we are still in the month of March judging from the wind. Who knows this wind may blow in a rain.

Mrs. Julius Decker (Dorothy) experienced a bit of adventure and excitement last week. Three-year-old Derrel Wayne was playing in the yard when he began calling out. Dorothy ran to him and found he was being attacked by a skunk. She grabbed the animal and threw it on the ground and sent Derrel into the house and the animal attacked her. A neighbor, Olin Dennis, was summoned and he killed the skunk—which was stored in a nearby mesquite tree in a sealed can.

Dorothy made a trip to Rotan to a veterinarian to have the animal's head prepared for the trip to Austin. She then put it on the bus to Sweetwater. The tests proved the animal rabid. Treatment for Derrel began Friday since the medication for treatment was not available in Hamlin.

Now the problem is what about the dogs—theirs, yours and mine. I'll bet some dogs get their rabies shots and soon.

Mr. and Mrs. Albert Maberry spent a few days away from their work recently and attended a conference for laymen conducted by Oral Roberts upon special invitation. Mrs. Maberry (Geneva) reported that the sessions were very inspiring and that they had a wonderful time.

Mr. and Mrs. Jim Dickson and daughters spent a few days last week in the home of Mr. and Mrs. Frank Kemp.

Mr. and Mrs. Fred Lee, Mike, Missy and Jennifer and Mrs. Scott Lee of Ponder were overnight guests in the Fred Kemp home during the weekend. Sunday Mrs. Beatrice Kemp, Mrs. Lee's mother, of Holiday Lodge in Hamlin joined the Lees for a visit. Other guests were Mr. and Mrs. Guy Kemp and Rex Kemp of Roby.

Alton Hawthorne finished the 100 dash in first place Saturday at the Roby track meet.

Central Baptist Church Sets Revival Dates

Central Baptist Church will hold a revival meeting April 18-20, with Friday, Saturday and Sunday evening services beginning at 7.

Sunday School classes will be at 9:45 a.m. and evangelistic service at 11 a.m.

Two youth groups from Big Spring, "The Relative Four," and "The Complete Seven," will lead the singing and preaching. Both groups were in the church in January and were well accepted. They have just released a gospel album that will be available for anyone wishing to purchase it.

The public is cordially invited to attend these services, according to the Rev. Buster Grigg, pastor.

No School Here Friday

Hamlin Public School students will get a holiday here Friday as the local teachers take part in an in-service day.

DRIVE EXTENDED

Easter Seals Campaign

Response Is Lagging

Homer H. Scott, West Texas Easter Seal Society campaign chairman, has expressed a growing concern over the response to this year's campaign. Scott stated, "The income from the Easter Seal campaign is running lower than it has in more than a decade.

Since Easter Seal income goes directly into the

operation of the West Texas Rehabilitation Center, the lag in response puts the Center in a difficult financial situation and unless the response picks up quickly, we have some problems."

To date, \$13,928.47 has been received. Scott explained, "We're still about \$10,000 short of the goal, but I feel that it will come if folks understand that this need is real."

Scott reported that the following amounts have been received through March in the eleven county area: Taylor, \$7,306.75; Callahan, \$550.50; Fisher, \$101.00; Haskell, \$152.00; Jones, \$776.50; Knox, \$262.00; Nolan, \$580.00; Runnels, \$588.00; Shackelford, \$170.00; Stonewall, \$53.00; with no contributions as yet from King county.

She moved to Lubbock from Hamlin in 1943. She was a native of Fisher County and a member of the First United Methodist Church.

Survivors include a son, Leon of Sweetwater; two brothers, Douglas and Buster Crowder, both of Denver City; three sisters, Mrs. Laverne Terrell of Lubbock, Mrs. Wesley Fall, and Mrs. Ellenor Brambaugh, both of California; four grandchildren and two great-grandchildren.

Pallbearers were James Sedberry, Gerald Young, W. T. Johnson, Joe Scott, Joe Terrell and Jimmy Terrell.

Honorary Pallbearers were Leland Scifres, Jimmy Sedberry, Bill Rountree, Sam Middleton and William Sedberry.

Burial was in Resthaven Memorial Park.

Fry was a veteran of World War I and was a member of Hamlin Masonic Lodge. He operated Fry's Variety Store in Throckmorton for 35 years, retiring five years ago.

Survivors include his wife; one daughter, Ray Laverne Cadenehead of Tulsa, Okla.; two grandchildren; two sisters, Mrs. Ethel Brewer and Mrs. Oma Mullins, both of Hamlin; several nieces and nephews.

Oak Grove Sets Dinner

The choir of Oak Grove Baptist Church will sponsor a dinner Saturday night, beginning at 6:30 in the Fellowship Hall of the church.

Menu consists of chopped steak, buttered potatoes, sweet peas, tossed salad, homemade hot rolls, cake, iced tea or coffee. Price of meal is \$2.25.

Anyone wishing to call for reservations may contact Alice Marshall, president, at 576-3757.

have responded by sending contributions back to the Center.

Scott stated, "Due to the fact that Easter was earlier than usual this year and the response has been slow, the campaign would be extended for two more weeks." Scott urged residents of the Big Country to send their contributions in as soon as possible. Gifts may be earmarked for Easter Seals and will be credited as such, even though the Easter Seal return envelope received in the mail-out may have been misplaced.

In addition to the mass mailing, special events to raise money for Easter Seals have been conducted in Sweetwater, Weinert, Rochester, Paint Creek, Roscoe, Roby, Rotan, and Hamlin. \$2,612.72 has been received to date from the special events to bring the current total to \$13,928.47.

REDDY'S HELPFUL FREEZER TIPS

Lock in flavor. Use moisture and vapor-proof materials especially designed for freezers to wrap your foods. Tightly sealed, these lock in flavor and moisture and prevent 'freezer burn' (surface drying) on foods. Don't use wax paper, bread paper or regular cellophane for freezer foods.

Label packages. Date and identify freezer packages so (1) you don't accumulate a lot of mysterious shapes and (2) you'll be able to pick out foods that have been in the freezer longest.

Come advantage of sales. Avoid overstocking with commercially frozen food that's always available. Use your freezer as your own bargain counter and store foods you can buy on sale. But do allow space for short-time baked goods, leftovers and special party foods.

Pipers Win At San Angelo, To Run At Ballinger Saturday

The Pipers upset heavily favored Floydada Saturday to capture the Division III team championship in the San Angelo Relays for the second consecutive year. The Pipers won the meet with 93 points while Floydada took second with 86 points. Crane was third with 80 points.

The Pipers shaved a full five seconds off of their previous best mile relay time to assure themselves of the victory over Floydada. The Pipers were timed in 3:25.9.

Johnny Jones, who ran a season's best and meet record 9.7 in the 100-yard dash, pulled a muscle in the 220, the event he had set another meet record in Friday in the prelims.

Jones almost appeared to stop when struck by the pain. Instead, he forced himself to run anyway and held off all opposition to win in 22.9.

The Pipers will be running at Ballinger this Saturday

and Coach Bill Grissom said Monday that he thought that Jones might be ready by then. The District meet is the following week at Anson.

The field events get underway at 8:30 Saturday morning and will be followed by the running prelims at 10. The finals in the running events will start at 3 p.m.

Piper results:

440-yard relay: 1. 43.5 (Mac Lee, Robert Phariss, Oscar Marshall and Johnny Jones).

100-yard dash: 1. Johnny Jones, 9.7 (new record); 2. Mac Lee, 10.05; 4. Oscar

Marshall, 10.2.

440-yard dash: 2. Delbert Thompson, 51.0; 5. Steve Evans, 52.0.

220-yard dash: 1. Johnny Jones, 22.9 (ran 22.1 in prelims for new record).

Mile relay: 1. 3.25.9 (Delbert Thompson, 51.3; Luke Reynolds, 52.0; Steve Evans, 51.2; Oscar Marshall, 51.2).

Pole Vault: 3. Robert Phariss, 12'6".

Broad Jump: 6. Robert Phariss, 20'5 1/2".

Discuss: 4. Luke Reynolds, 12'8 1/2".

Girls Track Team

To District Friday

Hamlin girls will be competing in the District track meet at Coahoma Friday with the field events starting at 10 a.m., the running prelims at 11 a.m. and the running finals at 2 p.m.

Friday the local girls took fourth place in the Anson Girls Relays with 62 points. Ballinger won the meet with 94 points. Haskell was second with 75 and Colorado City third with 63.

District UIL Schedules Announced

District University Interscholastic League competition got under way this week with girls tennis opening the activities.

Girls tennis competition opened in Abilene Wednesday morning and continues today (Thursday). Boys tennis matches will be held in Abilene next Wednesday and Thursday.

Girls track will be held at Coahoma Friday and boys District track meet will be held the following Friday at Anson.

The District Literary meet will be held at McMurry College in Abilene Saturday.

The District golf competition will be held at the Hamlin Country Club on Monday.

The U.I.L. Junior High Band competition will be held in Abilene on Tuesday and the High School competition will be held there on Wednesday.

In the junior high division, Coach Bettye Davis had two girls score a total of 54 points. May Ruth Brown won the 100, 220 and the broad jump and Doris White finished second in each of the three events.

High school girls results:

440-yard relay: 2. 53.6 (Kathy Hooper, Rita Casey, Barbara Hooper, Elizabeth Hooper).

440-yard dash: 2. Sue Sellers.

220-yard dash: 3. Kathy Hooper.

60-yard dash: 2. Elizabeth Hooper.

880-yard relay: 5. (Cheryl Baker, Barbara Hooper, Elizabeth Hooper, Rita Casey).

100-yard dash: 3. Kathy Hooper; 5. Pam Absher.

Shot: 3. Kathy Hooper.

High Jump: 1. Kathy Hooper, 4'9".

Texas Outdoors

W.R. Long
Texas Parks & Wildlife Department

We're going way out on a limb in this column and jot down some notes about where to go to catch what. This is always dangerous, and never really reliable, but just food for thought. If you ask 100 fishermen where to go to catch a particular type of fish you might get 100 totally different answers, hence our remarks are personal opinions for this time of year later on in the year.

Largemouth Bass: Leaving out Mexico's Lake Guerrero, now a hot-spot, I'd stay right here in Texas and take my chances on Toledo Bend or Livingston. This may change later on in the year.

Crappie: Most lakes have 'em, and at any given time one lake is as good as another, but some big strings have been caught at Lake Proctor and Lake Bridgeport recently.

Sand Bass: I'd probably go to Lake Travis. If that's too far it's easy to get into sandies at Garza, Texoma and Belton Lake.

Northern Pike: Not sure about fishing restrictions, but there are no larger northerns than in Greenbelt Reservoir in West Texas.

Sunfish or Bream of many types: Right now there's no better place in Texas than Lake O' the Pin but Tawakoni is producing some lunker bluegills for the fly fisherman or the earthworm.

Rainbow Trout: Due to a recent release of trout in the Brazos below PK dam the angler has a good chance of catching some fish large enough for the frying pan.

In our part of Texas we're less than an hour's drive from 27 major reservoirs. New fishes stocked within the past few years are offering a new kind of sport, and this year we believe even more people will be using the lakes for fishing. Last year we had 3 million fishermen go out for some type of fish. This could increase by a half million people this year. Several types of saltwater fish being stocked will make it even more interesting.

Open House Winners Are Named Here

Winners of the Open House event held here by Sweetwater Savings and Loan, Hamlin Branch, have been announced by Anita Wright, local manager.

The open house was held Monday through Friday in the new building at 443 South Central.

Mrs. J. C. Bailey was winner of the \$250 passbook savings account.

Winners of the U. S. Coins of the 20th Century were Mrs. Warren Reynolds, Darlene Van Dam, Mitte Melton, Bonnie Vaughan and Dorothy Stovall.

Winners of the Vanishing American collection were Suellen Waggoner, Mrs. Garland Payne, V. O. Melton, B. V. Newberry and Melvin J. Scott.

Hike-Bike Campaign Set Friday

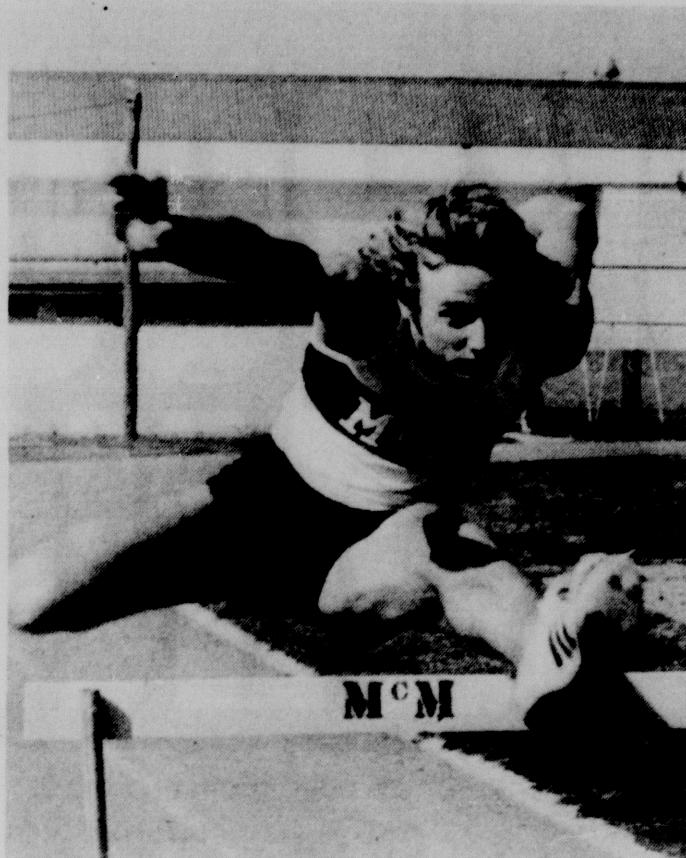

The Hamlin Chapter of Future Homemakers of America are planning the Hike-Bike for the Retarded Friday, weather permitting. Participants will meet at 9 a.m. at the high school parking lot. In case of bad weather, the event will be held Saturday.

Last year the Hamlin group turned in the second largest amount collected by a Class AA school in Texas.

Mrs. C. L. Howard is local chairman.

Participants will walk or ride bikes to the Anson Y. Volunteer workers will be needed for checkpoints, Mrs. Howard said.

Anyone who would like to sponsor a person in the Hike-Bike project, may contact Mrs. Howard or a member of FHA.

INDIAN HURDLER—Ronald Maberry, a graduate of Hamlin High School and a freshman at McMurry College, has been timed at 54.9 in the 440-yard intermediate hurdles this spring. His time is the best by an Indian since David Bonds, another Hamlin graduate, who ran the hurdles for the Methodist School. Maberry's time ranks among the best by collegiate rookies in Texas this spring. He is 5'10" and weighs 145 pounds.

Joe F. Ford Remains In Intensive Care

Joe F. Ford, Route one, who was critically injured Thursday evening in a one car accident northwest of Anson, is in the intensive care unit of Hendrick Memorial Hospital.

His father, H. L. Ford, said Wednesday morning that he had had a 'good' night, resting as well as could be expected. However, his condition remains critical.

It is believed that a tire blew out causing the accident. Travelling alone in a 1974 Chevrolet pickup, he was thrown from the vehicle. The accident site was two miles north of the Hanna Baptist Church. Some girls who were behind him discovered the pickup and went for help. He was taken to Anson for emergency treatment and then to Abilene.

He received severe chest injuries to the right side and was taken to surgery upon arriving at the Abilene hospital. Blood transfusions have been given and a number of persons from Hamlin have been donors.

Band Wins Sweepstakes

The Hamlin Junior High School Band, under the direction of Tim Jones, won its 13th Sweepstakes Award in 15 years Friday at the Cisco Junior Music Festival.

All students participating in the solos and ensembles portion of the festival received division I ratings.

EIGHTH GRADE STUDENTS—

'Reflections

On the Fire'

What youngster at one time or another has not wished for his or her school building to burn? But when it actually happens most youngsters seem to wish that they had never had such thoughts at least that is the theme that runs through a great many of the Hamlin Eighth grade students' minds.

This was brought out in an eighth grade English class project where the assignment was a paper on "Reflections On the Fire."

"Every kid dreams of a school burning down, but when it really happens I guess you just want to eat all your words," wrote Sheri Mink. "You really don't think anything means too much to you until it's gone. Everyone lost a lot of good memories,"

she said.

"Funny, everytime we had a fire drill we always said, 'I wish this school really would burn down!' But I don't think any of us meant it. I know I didn't. And we really never dreamed it would happen over the spring break," wrote Linda White.

"All of us joke about the school burning down. But when it really happens it's another story. I was shocked! I just couldn't believe it," wrote Steph Hymer.

The following are some random selections from Mrs. Betty Shira's eighth grade English class assignment:

Stacy Bell: "As I look back we all have a lot of memories to remember, like me for instance. I lost a horn. After the guys dug it out it was hard

to believe that just a few days before that, I had played it in band. This may not seem like a great loss to you but it was to me."

Tina Wicker: "When I closed my locker door, walked down the stairs, and walked out the back door, I never thought I wouldn't see the inside of my Jr. High building again."

Juanita Titus: "Who would ever had thought the Hamlin Junior High students would have been left without a school over the spring break?"

David Hertel: "Some of the men fighting the fire weren't even firemen but cared enough about our school to help out a little and take part of the load off the firemen's backs."

Audrey Hart: "Fire is a tragic thing. People never really think about how destructive fire can be. It leaves people homeless and even without a school."

Kelly Ferguson: "Now I'm stuck in this 'crummy' old school where every one feels like fifth graders again. You know, I wished it hadn't burned!"

Kathy McGee: "I only wish that it had of been some other school instead of ours."

Rickey Dockins: "In the fire I lost my pens, pencils, and paper but no personal items. I think that it is bad that it burned down even though we wanted it to."

Jamie Jones: "It was quite a shock to see the building was really burning. I think most people feel like a

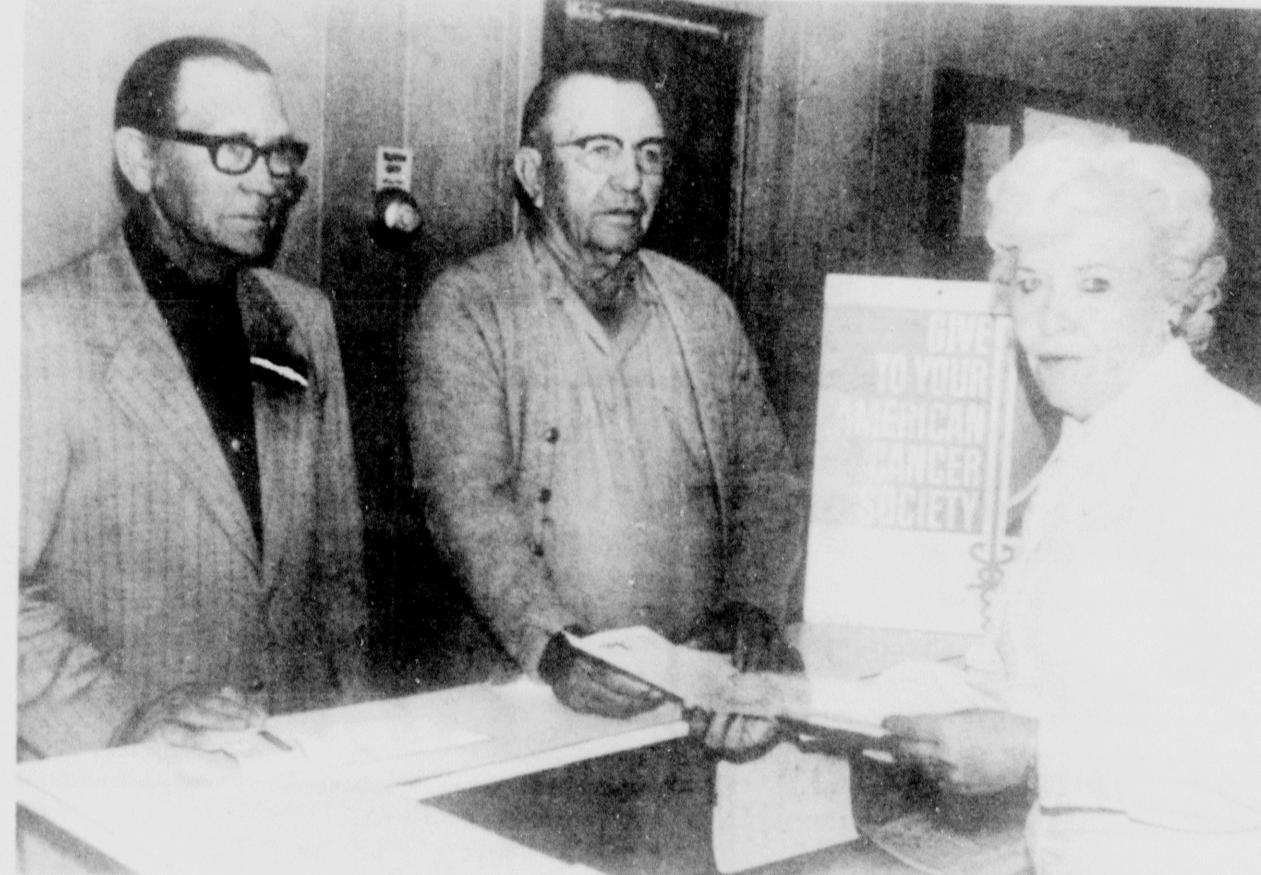

big part of our town is gone."

Claud Scifres: "I always wanted the school to burn down but when it did, I was kind of sad."

Rene Guerra: "... I heard the fire trucks. I thought it was a house or a field of dry grass. But in the morning when I went to town I saw the school building all burned up. I didn't want it to burn down. But it did."

L. J. Hooper: "But all I have to say is that I thank God that none of us were in there because it could have happened while we were in school."

Rose Chavez: "There were 207 students that went to school there. Now the school is a mess. Bricks fell everywhere. It looks sad now."

CANCER DRIVE UNDERWAY—Loyd Burkhart, left, and Bill Rountree receive materials from Mrs. Othel Sipe, Hamlin chairman for the American Cancer Society drive for funds. The men are being assisted by W. D. Cowan (not pictured) in contacting local businesses. The local drive opened Tuesday. The residential drive will be manned by volunteers today (Thursday). Volunteers, including some from local women's clubs, received materials this week for today's door to door canvass. Information pamphlets are also being distributed to stress the importance of early detection through check-ups and other educational material concerning cancer.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

A few weeks ago we wrote the first of what we planned to be a series of articles on Public School Financing. We had hoped to have a second article in the series prepared before now but have been waiting on the House Committee to report out its bill for the House to consider.

It seems rather pointless to cover all of the ground contained in all of the different bills being considered by this committee since most of the bills will never get past this group. The committee was supposed to report out a bill this week but is expected to ask for and get an extension.

Since almost any of the school finance bills being considered would require more money than the state has to spend without raising taxes, it is becoming more and more apparent that the matter will not be resolved during this session of the Legislature.

We will wait and see what the House does with this important matter but right now our guess is that the best that will come out of this session will be a patch work on our present school financing method. This will likely include some form of teacher pay raise.

There does seem some hope for some form of state-wide "Fair Market Value" approach to local fund assignment coming out of this session. This in itself could be a giant step in the right direction toward fair and equitable school financing.

Texas voters will go to the polls in a special Constitutional Amendment Election Tuesday, April 22. They will be asked to approve or disapprove two amendments to our already patched up Constitution. And the way things look now they

Trophies will be presented to sponsors of winning teams and winning team members will receive individual plaques or trophies.

Admission is 50 cents for adults and 25 cents for students.

Church of Christ Sets Evangelistic Services

April 13-18 are the dates for a series of evangelistic services at the Hamlin Church of Christ, S. W. Avenue A at West Lake Drive. Everyone is invited to attend these services. Sunday services will begin with Bible class at 9:45 a.m. Morning worship begins at 10:40 a.m. Evening worship will be held at 6:00 p.m. Weekday services through Friday will be held at 10:00 a.m. and 7:30 p.m.

The evangelist for this series is Larry Marshall, minister for the Wilbarger Street Church of Christ in Vernon. Mr. Marshall grew up in Lamesa, and has been preaching since 1962. He and his wife, Bobbie Jo, have two children, Amy, 10, and Scott, 7. Mr. Marshall has served

to lead services

churches in Eastland and Lamesa, and in Dodge City, Kan., before moving to the church in Vernon.

He is in demand for gospel meetings, youth meetings and various training series, having been involved in such special efforts in nine states. He was honored in the 1970 edition of "Personalities of the South." Marshall has done college work at St. Mary's of the Plains, Dodge City, Kan., and at Abilene Christian College. He holds the bachelor's degree in Bible from ACC.

David Giddings, minister of the church, said that Marshall conducted a similar series of preaching services in Hamlin in 1973 and was well received.

"He not only brings a love for the divine truths of God's revealed word and a recognition of man's need for this message. He possesses a sincere love for the souls of men. His preaching is dynamic and forceful, yet simple enough for all to understand. If you have heard him before, you will want to hear him again. If you have not heard him, you will want to do that next week," Mr. Giddings added.

Volleyball

Tournament

Underway

Play continues this evening in the Future Farmers of America Volleyball Tournament in the Hamlin Public School Gymnasium. Games start at 5 p.m. today (Thursday) and Friday and finals will begin at 6 p.m. Saturday. Forty-four teams are entered in five divisions.

The boys' finals will be held Friday evening to avoid conflict with a track meet Saturday. Finals in all other divisions will be held Saturday.

Trophies will be presented to sponsors of winning teams and winning team members will receive individual plaques or trophies.

Admission is 50 cents for adults and 25 cents for students.

Local Trio Wins First In Nazarene Youtharama

Three Hamlin High School juniors, who have been singing together for nearly a year, were named first place winners in the Nazarene Youtharama and will advance to regional competition April 18.

Debra Hollis, pianist, sings first alto and soprano, Tammie Harris sings second alto and Randy Hudgins sings lead. They call their group the "Sounds of Life."

The three started singing together almost by accident. Tammie and Debra, who are both active in Foursquare Gospel Church, were singing together at Debra's home one evening when Randy joined in. Randy is active in the youth work of the Nazarene church and this led to the group's participation in the Youtharama in Abilene several weeks ago.

During the past year the trio acquired amplifiers and have been accepting invitations to sing at various functions.

They are available for concerts.

Winners of the contest at

Riding Club Play Night Set

Hamlin Riding Club is having a play night Saturday, beginning at 7:30. There will be a jackpot cafe roping and barrel race and regular barrel race.

IN SATURDAY'S VOTING—

Bigham Joins Encumbents

A newcomer to local politics emerged following the city and school elections here Saturday. Buford Bigham joined five incumbents to be elected in only a moderate turnout for the election of school trustees and city councilmen.

Bigham was elected to the city council in his first bid for public office. He received 226 votes to join Robert Fowler and A. E. Killion for two-year terms on the council. Fowler polled 235 votes and Killion received 203. Others in the six man race and their votes were: M. D. Byerly, 179; Robert Cary Sr., 157; and L. H. Bruton, 21. Bigham was named to the council in December upon the resignation of George Campbell and was seeking his first elective term.

All three incumbents were reelected in the balloting for

trustees for the Hamlin In-

dependent School District.

Reelected were W. T. "Dub"

Johnson with 327 votes; Cecil

L. Sellers with 260 votes and

James E. Rodgers with 225

votes. Other candidates and their votes were James B. Crowley with 83 and Delton Jackson with 146.

About 350 voters turned out for the elections at the high school building. This was the first time that the two elections were held in the same building.

Bigham, who will be serving his first two-year term on the council is an employee of the Texas Highway Department.

LITTLE LEAGUE

Hamlin Little League boys and girls will meet Monday, April 14, in the Primary school cafeteria at 7 p.m.

All parents are urged to attend as officers will be elected and coaches will be selected.

"SOUNDS OF LIFE"—Debra Hollis, at piano, Randy Hudgins and Tammie Harris, who sing as "Sounds of Life", will be presenting a concert at 6 p.m. Sunday for the evening worship service at Foursquare Gospel Church. They are recent winners of the district Nazarene Youtharama held in Abilene. They will compete at the regional level April 18 at Bethany Nazarene College in Bethany, Okla.

Newlands to Mark Anniversary Sunday

The children of Mr. and Mrs. W. S. Newland will honor their parents with a reception Sunday in observance of the 50th anniversary of their marriage. Friends and relatives are invited from 2 to 4 p.m. in the Hamlin Jaycee Community Building.

The couple's children are M. D. (Bo) Newland, Mrs. Joe C. Hall of Abilene, Charles Newland of Monahans, Mrs. William A. Fininis of La Porte and Thomas R. (Tucker) Newland of Stamford. All of the children except Mrs. Fininis plan to attend.

Mr. Newland was born April 6, 1904, in Fort Gates. Mrs. Newland was born April 7, 1906, in Straws Mills. They met in 1923 at Gatesville and were married there April 11, 1925.

They lived in Coryell County until moving to Jones County in 1942. He is retired from Farmers Co-op Station and she is retired from Hamlin Memorial Hospital. They are Baptist.

They have 10 grandchildren and three great-grandchildren. Their hobbies are gardening and hunting.

TO LIVE IN ALASKA—Mr. and Mrs. Michael Wayne Smith will be leaving Monday for Anchorage, Alaska, where they will make their home. The couple was married Mar. 28 at 4 p.m. in the Episcopal Church of the Holy Mount in Ruidoso, N. M. She is the former Elizabeth Marie Motley, daughter of Mr. and Mrs. V. C. Motley of Longview. He is the son of Dr. and Mrs. M. L. Smith.

Mrs. Smith Honored With Gift Tea Here

A gift tea honoring Mrs. Michael Wayne Smith Saturday afternoon was held in the home of Mrs. John D. Ferguson on Rotan Road.

Mrs. Smith is the former Elizabeth Marie Motley, daughter of Mr. and Mrs. V. C. Motley of Longview. The couple married March 28 in Ruidoso, N. M.

In the receiving line were the honoree, the bridegroom's mother, Mrs. Marshall L. Smith, and his sister-in-law, Mrs. Mark Smith of Galveston.

The serving table was covered with a white organdy cloth with tiered ruffles edged in satin ribbon extending to the floor. The centerpiece of yellow juncos and iris and white iris was arranged in a large footed silver container and flanked with silver candelabra with white tapers. Table appointments were silver.

Special guests were Mrs. Faye Smith, grandmother of the bridegroom, and Mrs. Dub King of Waco, aunt of the bridegroom.

Hostesses with Mrs. Ferguson were Mmes. Cliff Reynolds Jr., Weldon Carlton, Byron O. Bell, S. C. Ferguson, Ernest Jenkins, Billy Joe Wilson, Thomas Ferguson, Ken Prewit, Holly Toler, Don Compton, O. H. Weaver Jr., Steve Herring, Ruby Scifres, J. B. May, W. O. Hayes, Johnny Bryant, Lawrence Shivers, Irby Weaver, John Ferguson Jr., Phil Guitar of Abilene and Miss Teola Simpson.

District P-TA To Meet In Abilene Wed.

The 18th District of Texas Parent-Teachers Associations will meet in conference Wednesday, April 16, at St. Paul United Methodist Church, North Fifth and Beech Streets, in Abilene.

Registration begins at 8:30 a.m.

During the business session officers will be elected. Mrs. Guy Weaver, president of the Hamlin P-TA, will be nominated as recording secretary. Mrs. Weaver will also assist in a workshop session on help for P-TA projects and community involvement.

P-TA Names Top Citizens

The Parent-Teachers Association is emphasizing the merits of good citizenship by recognizing those students who display the qualities that a good citizen should have.

Certificates for the April Citizens of the Month were given in the following grades:

Kindergarten - Mauricio Reyes, son of Mr. and Mrs. Maximiliano Reyes; First Grade - George Scifres, son of Mrs. Ruby Scifres; Second Grade - Vicki Cooper, daughter of Linda Malone; Third Grade - Reeta Crowley, daughter of Mr. and Mrs. Bobby Crowley; Fourth Grade - Sandra Deaton, daughter of Mr. and Mrs. George Deaton; Fifth Grade - Mike Pyron, son of Mr. and Mrs. Don Pyron.

MR. AND MRS. W. S. NEWLAND . . . to be honored Sunday

Favorite Recipes

TRIPLE FRUIT PIE

1 can sour pitted cherries
1 can (flat) crushed pineapple

7 T. cornstarch
1/2 t. salt

1 T. red food coloring
6 bananas

3/4 c. chopped pecans (optional)

2 pkgs. dream whip
2 c. sugar

Drain cherries and pineapple, save juice. Add enough water to juice to make two cups liquid. Mix cornstarch, salt and sugar and add to juice (add food coloring also). Cook until thick. Set aside to cool. Add vanilla, cherries, pineapple, bananas and nuts. Put into two large or three small baked and cooled pie shells and cover with dream whip. Refrigerate.

FROM THE FILES . . .

FIFTY YEARS AGO

(April 10, 1925)
A great part of the Hamlin trade territory is "soaked down" for awhile with a most glorious rainfall of from one inch to four or five inches.

A \$50,000.00 Memorial Hospital was left to the city of Haskell by Mrs. Kate F. Morton sister of the Hon. James E. Ferguson. According to her will filed for probate in County Court Mar. 25 the hospital is to be erected in memory of her husband, Francis Marion Morton, who died 18 months ago.

Mrs. F. B. Moore was hostess to the Twentieth Century Bridge Club, Thursday afternoon, Apr. 2 from 3 to 5 p.m. Mrs. Prater was winner of high score for the afternoon.

Col. B. E. Sparks returned Friday from an extensive visit with his sister, Mrs. M. A. Steinbeck near Waco. Mr. Sparks is looking much improved in health after his trip.

Misses Alberta Howell, Velma Boyd and Emma Anderson spent last weekend in Rochester and Rule visiting Misses Frances Edmonds and Helen Anderson.

The Blue Bridge Club had a very interesting meeting at the home of Mrs. B. Moseley on Wednesday of last week. The guests of the afternoon were Mrs. Ben Smith of Plainview and Mrs. Geo. W. Gray and Mrs. W. T. Cherry. At the business meeting, Mrs. Cherry and Mrs. Ray Sneed were voted into the membership. Following the games a salad course was served as refreshments.

Monday evening the members of the Young People's Missionary Society were delightfully entertained at the cozy little home of Mrs. Jess Young with Misses Beck and Hudson as hostesses.

will be asked to vote again in November on a whole new Constitution.

The two matters coming before the voters later this month concern an increase in state and local retirement systems and a long needed pay raise for members of the legislature.

The first of these two amendments on the ballot will be the one dealing with the retirement systems and we will try to take a look at it this week and then cover the other one next week.

The proposed Amendment No. 1 on the ballot concerns consolidating virtually all constitutional provisions about state and local retirement systems in one section of our state charter.

More importantly, the amendment also would lift the ceiling on the amount the state can contribute to retirement systems from six percent to 10 percent of the employee's total compensation.

In addition, should an emergency exist, the Legislature could appropriate additional money to these retirement systems should it be deemed necessary.

In conjunction with this amendment, Senate Bill 56 has been passed by this Legislature, providing a 12 percent increase in retirement benefits for government workers already retired.

WORLD WIDE INTEREST

Coleman Adv. Serv.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

BURLESON WARNS—

'Watch Out For the Watchdog'

WASHINGTON, D. C. — During a recent police action in Washington a police dog bit a policeman during a raid. Dogs make mistakes too during confusion and excitement.

So, the subject here is watch out for the watchdog.

Legislation to create a Consumer Protection Agency—a Super-Bureau which is supposed to save all of us from flim-flams and shoddy but expensive merchandise, is again before Congress. Last year this legislation passed the House of Representatives but fell before a filibuster in the Senate.

With the Congress more tilted towards the liberal side as a result of the last election and with a recent change in the Senate rules to make filibustering more difficult, the chances are increased that this bureaucratic monstrosity may be unloaded on the people of this country, under the guise of protecting the consumer.

As proposed in this legislation a new agency would be authorized to dip its oar into any governmental

operation that "may substantially affect the interest of consumers"—which means just about everything. The bureaucrats of such an agency would be as much, if not more powerful, than those which now watch over us with power granted them by the Congress. The probability is high that such an agency would soon dwarf most other governmental departments in controls, size and costs.

This kind of thing would add another "watchdog" to a penful already a part of the Federal Government. There are already in the law provisions on "Truth In Lending", "Truth in Packaging and Labeling" and a number of other regulations governing advertising and the like to give protection to the public. The long-time established regulatory agencies such as the Interstate Commerce Commission, the Federal Power Commission, the Securities and Exchange Commission, the Federal Trade Commission and others, have their special functions and although some of these are not for the purpose of helping or protecting

a particular individual, all have powers over some aspects of national life which affects us all.

The proponents of these newer units of the Federal Government and those proposed such as the Consumer Protection Agency, seem to assume that people just don't know much and must have someone to look out for them on everything. Self discipline through such organizations as the Better Business Bureau to which many businesses belong, is one way for commercial enterprises to help themselves and serve their customers and keep the Government out of it.

A watchdog can serve a useful and necessary function. There must be laws and regulations to keep the unscrupulous and the lawless from depredations on others. There are such laws and means to enforce them. To unleash another dog with the power this proposal authorizes is to say "sic 'em" and those who are supposed to be benefited and protected are likely to be bitten.

Pipers Win At San Angelo, To Run At Ballinger Saturday

The Pipers upset heavily favored Floydada Saturday to capture the Division III team championship in the San Angelo Relays for the second consecutive year. The Pipers won the meet with 93 points while Floydada took second with 86 points. Crane was third with 80 points.

The Pipers shaved a full five seconds off of their previous best mile relay time to assure themselves of the victory over Floydada. The Pipers were timed in 3:25.9.

Johnny Jones, who ran a season's best and meet record 9.7 in the 100-yard dash, pulled a muscle in the 220, the event he had set another meet record in Friday in the prelims.

Jones almost appeared to stop when struck by the pain. Instead, he forced himself to run anyway and held off all opposition to win in 22.9.

The Pipers will be running at Ballinger this Saturday

Hike-Bike Campaign Set Friday

The Hamlin Chapter of Future Homemakers of America are planning the Hike-Bike for the Retarded Friday, weather permitting. Participants will meet at 9 a.m. at the high school parking lot. In case of bad weather, the event will be held Saturday.

Last year the Hamlin group turned in the second largest amount collected by a Class AA school in Texas.

Mrs. C. L. Howard is local chairman.

Participants will walk or ride bikes to the Anson Y. Volunteer workers will be needed for checkpoints, Mrs. Howard said.

Anyone who would like to sponsor a person in the Hike-Bike project, may contact Mrs. Howard or a member of FFA.

Texas Outdoors

W.R. Long
Texas Parks & Wildlife Department

We're going way out on a limb in this column and jot down some notes about where to go to catch what. This is always dangerous, and never really reliable, but just food for thought. If you ask 100 fishermen where to go to catch a particular type of fish you might get 100 totally different answers, hence our remarks are personal opinions for this time of year only.

Walleye: This exotic is in many lakes. Largest in the state will be Lake Meredith since they were stocked there first, but Garza Little Elm at Lewisville has given up some nice pan-sized walleye, from 2 to 3½ pounds.

Striped Bass: Lake Spence north of San Angelo, or in the Red River below Texoma Dam, and some fat, chunky stripers have been coming from below the dam at Granbury Lake.

Catfish: If you really know how to fish for channel or flathead catfish there's probably no better lakes than Possum Kingdom and Lake Whitney. Both of them require a delicate touch but both have been there long enough to grow some big ones.

Sand Bass: I'd probably go to Lake Travis. If that's too far it's easy to get into sandies at Garza, Texoma and Belton Lake.

Northern Pike: Not sure about fishing restrictions, but there are no larger northerns than in Greenbelt Reservoir in West Texas.

Sunfish or Bream of many types: Right now there's no better place in Texas than Lake O' the Pin but Tawakoni is producing some lunker bluegills for the fly fisherman or the earthworm.

Rainbow Trout: Due to a recent release of trout in the Brazos below PK dam the angler has a good chance of catching some fish large enough for the frying pan.

In our part of Texas we're less than an hour's drive from 27 major reservoirs. New fishes stocked within the past few years are offering a new kind of sport, and this year we believe even more people will be using the lakes for fishing. Last year we had 3 million fishermen go out for some type of fish. This could increase by a half million people this year. Several types of saltwater fish being stocked will make it even more interesting.

General Educational Development Tests (GED) will be given in the Rotan High School principal's office, April 17 at 9 a.m.

INDIAN HURDLER—Ronald Maberry, a graduate of Hamlin High School and a freshman at McMurtry College, has been timed at 54.9 in the 440-yard intermediate hurdles this spring. His time is the best by an Indian since David Bonds, another Hamlin graduate, who ran the hurdles for the Methodist School. Maberry's time ranks among the best by collegiate rookies in Texas this spring. He is 5'10" and weighs 145 pounds.

Joe F. Ford Remains In Intensive Care

Joe F. Ford, Route one, who was critically injured Thursday evening in a one car accident northwest of Anson, is in the intensive care unit of Hendrick Memorial Hospital.

His father, H. L. Ford, said Wednesday morning that he had had a 'good' night, resting as well as could be expected. However, his condition remains critical.

It is believed that a tire blew out causing the accident. Travelling alone in a 1974 Chevrolet pickup, he was thrown from the vehicle. The accident site was two miles north of the Hanna Baptist Church. Some girls who were behind him discovered the pickup and went for help. He was taken to Anson for emergency treatment and then to Abilene.

He received severe chest injuries to the right side and was taken to surgery upon arriving at the Abilene hospital.

Blood transfusions have been given and a number of persons from Hamlin have been donors.

Band Wins Sweepstakes

The Hamlin Junior High School Band, under the direction of Tim Jones, won its 13th Sweepstakes Award in 15 years Friday at the Cisco Junior Music Festival. All students participating in the solos and ensembles portion of the festival received division I ratings.
